Sending this for Mark Hayes, R1.

I don't have Hank's email, please forward to him.

RRGP was activated by R1 to respond for equipment after hours at the COOP.

Site name/SSID unknown at this time. Fertilizer plant explosion in West, Texas at approx. 7:50 PM tonight. City is evacuated. Incident occurred as fire department was trying to put out a fire.

Any questions, please contact Mark Hayes (R1) / Susan Webster (PDO).

Triage at football field in West. Injured are being taken to Waco.
